

Summer of Style...

PRINCESSFORD ATELIER

Created by the mother of five, Roseline Jobome, Princessford Atelier is fast becoming known as the go to haute couture line for little girls. It is a truly female centric brand, creating

memorable pieces for girls that would help them exude confidence, individuality and style. Discover the collection at princessford.com and follow [@princessford_](https://www.instagram.com/princessford_) on IG.

SKYLENCE

Founder and director, Skylence Tian Mo Zheng, describes her pieces as 'Cultured Attire' – blending intricate embroidery, print patterns and bold colours found in traditional Chinese art and culture with the refined Western silhouette. Designed for the professional woman who appreciates beautiful craftsmanship,

SKYLENCE pieces empower and flatter. Proudly made in Shanghai. Visit skylence.com and follow [@skylenceofficial](https://www.instagram.com/skylenceofficial) on IG.

ARO MALIBU

ARO Malibu's swimwear line is a new and exciting brand to hit the market. With designs for all body types and colours that pop, ARO is making a name for itself. ARO is deemed a "new fave" by girls everywhere. Visit aromalibu.com and follow on IG [@aromalibu](https://www.instagram.com/aromalibu)

NATURE HOMMAGE

Recycled and ethically made from plastics recovered from oceans and landfills, Nature Hommage's sustainable activewear not only offers a range of beautiful neutral colours, inspired by the earth, but is closing the circle of what sustainable brands should offer. Visit naturehommage.com and follow [@naturehommage](https://www.instagram.com/naturehommage) on IG.

KANTERO BAGS

Based in Tel-Aviv, Kantero Bags believe that style and comfort can go hand in hand. Their vegan, urban, minimalistic designs use quality fabrics and textures, proving that style doesn't have to sacrifice practicality and making them perfect for day-to-day use. Visit talkantero.com and follow [@kantero_bags](https://www.instagram.com/kantero_bags) on IG.

DEVOTION DESIGNS

Devotion Designs is a Canadian apparel brand that provides women of all shapes and sizes the opportunity to experience wearing hand-crafted formal wear. Devoted to the art of craftsmanship and exceptional attention to detail, their pieces inspire the wearer to be confident. A.CLOUD

A.Cloud designs timeless stylish yet functional luxury handbags for independent women. The brand is deeply influenced by retro aesthetics and a fascination with simple geometric structures, finding the perfect balance between classic vintage and contemporary modern. Visit acloud-official.com and follow [@a.cloud_official](https://www.instagram.com/a.cloud_official) on IG.

ASUYAMA

ASUYAMA is a Scandinavian sustainable swimwear brand designed by stylist/designer Tiina Asujamaa, who started the brand when residing in LA. These cool yet minimal styles are designed for timeless use for all the trendy sun seekers. A percentage of the production is donated to a foundation to

help to clean our oceans. Visit asuyama.com and follow on IG [@asuyamaswim](https://www.instagram.com/asuyamaswim)

ANDREA KADER

Andrea Kader is a Costa Rican based sustainable fashion brand. They believe that the future of fashion is circular. They work only with upcycled materials but focus mainly on denim. They experiment and push boundaries to create unique products that are beautiful, versatile, and timeless. Visit andreakader.com and follow on IG [@andreakader](https://www.instagram.com/andreakader)

DANGERFIELD

Dangerfield is a high quality, Canadian menswear brand that aims to provide luxurious and essential pieces. Their choice of opulent materials and classic silhouettes provides an effortlessly stylish option for today's consumer. Visit dangerfield.ca and follow [@dangerfield](https://www.instagram.com/dangerfield) on IG.
